TO: Department of Transportation Chiefs of the Contracting Offices

- I. Purpose:** This class deviation (CD) is issued under Federal Acquisition Regulation (FAR) part 1 and Transportation Acquisition Regulation (TAR) part 1201 and authorizes a class deviation to FAR part 14 for purposes of implementing the Federal Acquisition Regulatory Council's (the Council's) model deviation text to FAR part 14.
- II. Effective Date:** Immediately.
- III. Background:** On April 15, 2025, [Executive Order \(E.O.\) 14275 on Restoring Common Sense to Federal Procurement](#) was signed. Section 2 of the E.O. establishes the policy that the FAR "should only contain provisions required by statute or essential to sound procurement, and any FAR provisions that do not advance these objectives should be removed."

The FAR is being updated to:

- Remove language that is not required by statute
- Remove duplicative or outdated language
- Clarify or provide more plain language
- Revise language for the new FAR framework
- Retain language necessary for governmentwide acquisition standards.

This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative.

FAR part 14, Sealed Bidding, is simplified to make the regulation more accessible, clear, and efficient for acquisition teams. Themes of the update for this part include:

- Structural Reorganization for Logical Flow
- Streamlining through Consolidation and Plain Language
- Modernization for Current Practices

Statutory requirements retained in the RFO FAR part 14 model deviation include, but may not be limited to, the following:

- 10 U.S.C. § 3201 and 41 U.S.C. § 3301, Full and Open Competition
- 10 U.S.C. § 3206 and 41 U.S.C. § 3306, Planning and Solicitation Requirements
- 10 U.S.C. § 3301 and 41 U.S.C. § 3701, Basis of Award and Rejection
- 10 U.S.C. § 3302 and 41 U.S.C. § 3702, Sealed Bids
- 10 U.S.C. § 3702 and 41 U.S.C. § 3502, Required Cost or Pricing Data and Certification
- 41 U.S.C. § 1708, Procurement Notice
- 41 U.S.C. § 2301, Use of Electronic Commerce in Federal Procurement

The following table is not an exhaustive list but includes notable updates to FAR part 14.

Change	Description
Retained	• The following provision and clauses are retained (or remain reserved) with no changes: ○ 52.214-1 and 52.214-2 remain reserved ○ 52.214-4 (Provision), False Statements in Bids ○ 52.214-6 (Provision), Explanation to Prospective Bidders ○ 52.214-8 and 52.214-9 remain reserved ○ 52.214-10 (Provision), Contract Award—Sealed Bidding ○ 52.214-11 remains reserved ○ 52.214-12 (Provision), Preparation of Bids ○ 52.214-13 remains reserved ○ 52.214-14 (Provision), Place of Performance—Sealed Bidding ○ 52.214-15 (Provision), Period for Acceptance of Bids ○ 52.214-16 (Provision), Minimum Bid Acceptance Period ○ 52.214-17 remains reserved ○ 52.214-18 (Provision), Preparation of Bids—Construction ○ 52.214-19 (Provision), Contract Award—Sealed Bidding—Construction ○ 52.214-20 (Provision), Bid Samples ○ 52.214-21 (Provision), Descriptive Literature ○ 52.214-22 (Provision), Evaluation of Bids for Multiple Awards ○ 52.214-24 (Provision), Multiple Technical Proposals ○ 52.214-27 (Clause), Price Reduction for Defective Certified Cost or Pricing Data—Modifications—Sealed Bidding ○ 52.214-29 (Clause), Order of Precedence—Sealed Bidding ○ 52.214-30 remains reserved ○ 52.214-32 and 52.214-33 remain reserved ○ 52.214-34 (Provision), Submission of Offers in the English Language ○ 52.214-35 (Provision), Submission of Offers in U.S. Currency

Moved / Updated	• The revised part structure now reflects the acquisition lifecycle: Subpart 14.1 - General ○ Subpart 14.2 - Presolicitation ○ Subpart 14.3 - Evaluation and Award ○ Subpart 14.4 - Postaward • Subpart 14.1, “General”, streamlines and consolidates the five sections that were previously within the former subpart 14.1, “Use of Sealed Bidding”. • Subpart 14.2, “Presolicitation”, consolidates nearly all pre-award activities related to the solicitation process into a single chronological subpart. It is constructed from content previously located in subpart 14.2 (“Solicitation of Bids”), subpart 14.3 (“Submission of Bids”), and subpart 14.5 (“Two-Step Sealed Bidding”). ○ Sections within the subpart are streamlined, consolidated, and reorganized to conform to the new subpart structure. • Subpart 14.3, “Evaluation and Award”, consolidates activities that occur from the moment bids are received until the contract is awarded. It is primarily constructed from content that was previously located in parts of subpart 14.3 (“Submission of Bids”) and subpart 14.4 (“Opening of Bids and Award of Contract”). ○ Sections within the subpart are streamlined, consolidated, and reorganized to conform to the new subpart structure. • Subpart 14.4, “Postaward”, is designed to cleanly separate pre-award and post-award issues which are governed by different procedures. ○ 14.401, “Mistakes after award”, relocates content previously found at 14.407-4. Placing this topic in a distinct “Postaward” subpart categorizes it as a matter of contract administration, fundamentally different from mistakes discovered before an award is made. The text has been revised for clarity and procedural requirements remain intact. ○ 14.402, “Pricing modifications”, is a new section that provides a direct cross-reference to FAR part 15 for policies and procedures related to cost and price negotiation for modifications. This is a logical and helpful addition providing clear guidance for a common post-award activity. • The following provisions and clauses are updated. Updates are primarily for clarity and cross-referencing corrections. 52.214-3 (Provision), Amendments to Invitations for Bids ○ 52.214-5 (Provision), Submission of Bids ○ 52.214-7 (Provision), Late submissions, modifications, and withdrawals of bids ○ 52.214-23 (Provision), Late submissions, modifications, revisions, and withdrawals of technical proposals under two-step sealed bidding
-------------------------------	--

	○ 52.214-25 (Provision), Step Two of Two-Step Sealed Bidding ○ 52.214-26 (Clause), Audit and Records—Sealed Bidding ○ 52.214-28 (Clause), Subcontractor Certified Cost or Pricing Data—Modifications—Sealed Bidding • The FAR Companion is expected to include best practice information on the following moved content that is not statutorily required: ○ Subsection 14.201-8, “Price-related factors” ○ Section 14.208, “Amendment of invitation for bids” ○ Section 14.202-1, “Bidding time” ○ Section 14.207, “Pre-bid conference” ○ Section 14.209, “Cancellation of invitations before opening” ○ Subsection 14.407-2(b) and (c), “Apparent clerical mistakes” regarding corrections ○ Subsection 14.404-1(d), “Cancellation of invitations after opening” regarding extensions ○ Subsection 14.408-1(b), “General” regarding a limited number of bids.
Removed	• Section 14.105, “Solicitations for informational or planning purposes” is removed to align with streamlining efforts. • Subsection 14.202-3, “Bid envelopes” is removed to align with modernization efforts. • Subsection 14.202-7, “Facsimile Bids” is removed to align with modernization efforts. • Section 14.211, “Release of Acquisition Information” is removed because the content is adequately covered in other parts of the FAR. • Subsection 14.408-7, “Documentation of Award” is removed because the content is adequately covered elsewhere in the part or other parts of the FAR. • Subsection 14.408-8, “Protests against Award” is removed because the content is adequately covered elsewhere in the FAR. • The following provision is deleted to align with the modernization efforts: ○ 52.214-31, Facsimile Bids.

IV. Required Actions: All DOT Operating Administrations (OAs), the Office of the Secretary of Transportation (OST), and the Office of the Inspector General (OIG), excluding the Federal Aviation Administration (FAA) per RFO TAR 1201.104(d) shall follow the [RFO FAR part 14 model deviation text](#) instead of FAR part 14 as codified at 48 CFR chapter 1. The Council’s RFO FAR part 14 model deviation text is available at [Acquisition.gov/far-overhaul](#) and is incorporated by reference into this CD. A line-out version of the changes may also be found [here](#) for reference.

Heads of the Contracting Activities (HCAs) must ensure this deviation is disseminated to the acquisition workforce and ensure compliance with the requirements in the revised FAR part 14 guidance.

For new solicitations or contracts, when using any provisions or clauses that have been revised, utilize the RFO model deviation language at [RFO FAR part 52](#).

For open solicitations or awarded contracts, the contracting officer has discretion regarding the need to enforce or amend the provisions or clauses. Note that without some of the removed provisions or clauses, the contracting officer may be required to separately address certain aspects in the contract.

Contracting activities must review templates and related standard operating procedures to align with this class deviation and remove unnecessary processes and steps.

- V. Applicability:** This CD applies to all DOT OAs, OST, and OIG, excluding the FAA in accordance with TAR 1201.104(d).
- VI. Expiration Date:** This CD will remain in effect until it is incorporated into the FAR or is otherwise rescinded, whichever occurs first.
- VII. Point of Contact:** Questions or comments regarding this deviation may be directed to DOTAcquisitionPolicy@dot.gov.
