**MEMORANDUM FOR MORRIS K. UDALL AND STEWART L. UDALL FOUNDATION (UDALL FOUNDATION)
CONTRACTING ACTIVITIES**

DATE: June 27, 2025

SUBJECT: Class Deviations for FAR Part 18 in support of Executive Order 14275, *Restoring Common Sense to Federal Procurement*

FROM: David P. Brown, Executive Director

1. **Purpose.** This memorandum approves a class deviation to Federal Acquisition Regulation (FAR) Part 18 for purposes of implementing the Federal Acquisition Regulatory Council's ("the Council's" or "RFO") model deviation text to FAR Part 18.
2. **Background.** On April 15, 2025, President Trump signed Executive Order (E.O.) 14275, "Restoring Common Sense to Federal Procurement" to reform the Federal Acquisition Regulation (FAR). This E.O. further advances the intent of E.O. 14192, "Unleashing Prosperity Through Deregulation," signed on January 31, 2025, which established that the policy of the executive branch is to be prudent and financially responsible in the expenditure of funds and to alleviate unnecessary regulatory burdens placed on the American people. E.O. 14275 orders the Administrator of the Office of Federal Public Procurement Policy (OFPP), in coordination with the other members of the Federal Acquisition Regulatory Council (FAR Council), the heads of agencies, and appropriate senior acquisition and procurement officials from agencies, to amend the FAR to ensure that it contains only provisions that are required by statute or that are otherwise necessary to support simplicity and usability, strengthen the efficacy of the procurement system, or protect economic or national security interests. This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative.

On May 2, 2025, the Office of Management and Budget (OMB) released Memorandum M-25-26, "Overhauling the Federal Acquisition Regulation," that directs all agencies to "Generally issue individual or class deviations to implement the FAR Council's deregulated coverage within 30 days after the Council releases its model deviation text[and] Provide copies of class deviations to the FAR Secretariat at gsaregsec@gsa.gov for public posting on Acquisition.gov."

Also on May 2, 2025, the Acting Administrator for Federal Procurement Policy at OMB released a Memorandum, "Deviation Guidance to Support of the Overhaul of the Federal Acquisition Regulation." This Memorandum advises that agencies using the RFO model class deviation text do not need to further coordinate with the Council; class deviations that differ from the RFO model text require Council approval unless the difference is necessary to address agency-specific statutory direction.

On June 12, 2025, the FAR Council issued completed revisions for FAR Part 18 to streamline the acquisition flexibilities available for emergency acquisitions, and to retain increased thresholds, commercial procedures, and award preferences during an emergency.

Statutory requirements retained in the RFO FAR part 18 deviation include, but are not limited to, the following:

- 41 U.S.C. § 1903, Special Emergency Procurement Authority
- 42 U.S.C. Ch. 68, Stafford Disaster Relief and Emergency Assistance Act
- 10 U.S.C. § 101(a)(13), Contingency Operation
- 22 U.S.C. § 2292b, International Disaster Assistance
- 46 U.S.C. § 55305, Cargo Preference Act of 1954
- 41 U.S.C. § 153, Contract in Support of Humanitarian or Peacekeeping Operation

Important Note: General acquisition flexibilities that support emergency procurement have been removed and are now located at <https://acquisition.gov/emergencyprocurement>.
